

The Comrade Collection

Are you looking for a basic but still want the option of a texture? Are you looking for a fabric this is suitable for commercial use but has an affordability? Then the comrade collection is for you.

5 designs make up this utility collection with a fashion edge. Available in a selection of current trend colours and Martindale tested to be Heavy Duty/commercial grade, this selection of designs would be suitable for any application be it a residential or commercial situation.

With a selection of textured plains, basket weaves and pile weaves Comrade has all your needs covered in one sophisticated yet simple collection.
