

PARISIENNE & CHIC

Urban and stylish this co-ordinating upholstery range is the perfect choice for any style of Sofa or occasional chair. Parisienne has a multi faceted, chunky weave and 4 colours to co-ordinate with almost any plain. This bohemian look would be at home in any New York style loft or Artisans abode. At 100,000 martindale rubs this fabric is ideal for commercial use and will impress any interiors purchaser with its enduring stability.

Chic is plain upholstery and complements back into Parisienne with 12 colours. The handle is supple and supremely flexible. This range starts with softer neutral tones, then moves through pastel shades finishing with vibrant hues such as teals and greens. This fabric is 100% polyester, durable and long lasting with 40,000 martindale rubs, classified as heavy duty and perfect for commercial or residential use.
